

WALL PANEL

HNC

Wall Panel

From Fabric, Concrete, Marble, Wood, Hologram —

HNC Wall Panel offers colorful expressions and delicate designs. All product categories including wall panels, mouldings and doors can be mixed and matched to create a total interior solution.

Style Wall | Special Line

HNC Style Wall Basic Line SWP-B127 Klimt, Special Line SWP-B406 Optical
Wave Deco Moulding Nature Line Sugar Stone

NEW

- Style Wall Special Line uses E0-Grade environmental-friendly wood material HDF, with formaldehyde emission level below 0.5mg/ℓ.
- Style Wall Special Line uses sturdy and durable HPM finishing, the same material used for floorings. (Height differences may occur when using HnC Style Wall products with other brands)
- Style Wall Special Line Emboss pattern print and emboss coincide with one another creating a 3-Dimensional illusion.
- Style Wall Special Line Hologram product uses an environmentally friendly silk printing method. Depending on the angle of lighting, the hologram pattern can be seen in a subtle manner.
